

TOTOWA, NEW JERSEY

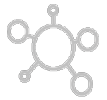

DATA CENTER OVERVIEW

This enterprise-class facility in Totowa, New Jersey is a 200,000 square-foot facility offering 50,000 colocation square feet (CSF), up to 16 MW of power, and 60,000 square feet of work area recovery. This facility is one of several strategic, mission-critical data centers in the New York Metro area.

CUTTING EDGE COLOCATION FACILITY

Facility Specs

Data Canopy's data center facility is located within CyrusOne in Totowa, New Jersey, which includes:

- 200,000 sq. Ft. in two buildings
- 50,000 sq. Ft. data center space with 36" raised flooring.
- 60,000 sq. Ft. work area recovery space featuring dedicated office suites configured per customer requirements.
- Carrier-neutral facility with two MDF rooms provides dual access to multiple providers for flexible connectivity.
- 24/7 year-round network operations center, technical support, remote hands, and environmental and enhanced services monitoring.
- Building and all critical equipment are above 500-year flood zone.
- SSAE 16 and PCI compliant.

Power

The facility features multiple levels of redundancy available within the same footprint:

- Designed to deliver 99.999% availability.
- 16MW of power
- Designed to support high density configurations.
- Two separate feeds from the utility company.
- 2N uninterruptible power supply units.
- N+1 generator

Security

This facility has some of the highest levels of security available:

- 24/7 year-round video surveillance to monitor and control access within the facility.
- Biometric access readers.
- Advanced proximity card readers.
- Motion sensors
- Surrounding security corridor
- Central security office monitors all systems.
- 24/7 year-round bonded security staff.
- K4 rated property perimeter fence.

Cooling

In keeping with best practices for an efficient data center:

- Power and cooling are delivered under a 36" raised data center floor
- 2,500 tons of N+1 cooling capacity with water cooled centrifugal chillers in plant.

WHY CHOOSE DATA CANOPY?

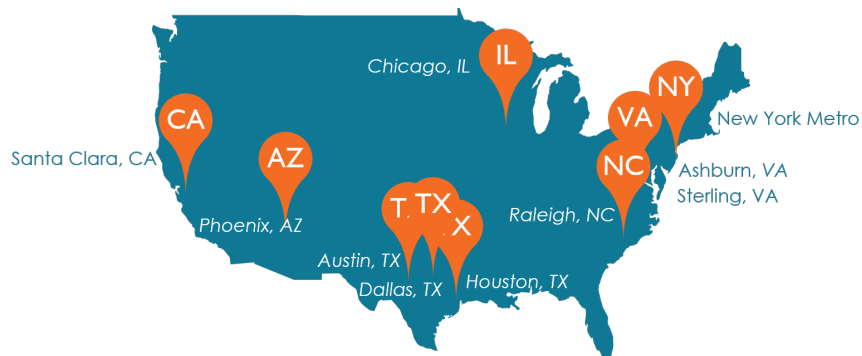

Smart Hands Support:

When you choose to host with Data Canopy, you will receive the highest level of support, including:
