

# Cloud Backup And Coverage. Guaranteed.

AvePoint Cloud Backup is a complete cloud-to-cloud backup solution for Office365. With unlimited, automated backups and secure storage in AvePoint's Azure storage or your own cloud, you decide how much to recover and when. On-demand and granular, item-level restore provides anytime access for your business-critical emails, files, conversations, projects, tasks, Groups, Teams, Planner and sites. Connect users with their lost content by automating restores with AVA, AvePoint's virtual assistant. AvePoint's Cloud Management for Office 365 lets you automate control of security, configurations and content, and then replicate changes in real-time.

## Comprehensive, Automatic Backup

An unlimited backup service for your Microsoft Office 365 assets in SharePoint Online, Exchange Online, Project Online, OneDrive for Business, Groups, Teams, Planner and Public Folders. Automatically backup up to four times a day and retain 100% of your data for one year.

## Quick and Granular

Restore and access here, there and everywhere. No need to call or submit a support ticket. Whether restoring a site collection, mailbox, document, calendar or contact, get full fidelity, on-demand and granular restore.

## Store On Your Terms

Securely store your data in AvePoint's scalable Azure Storage, your private cloud or in a data center with a vendor of your choice.

## Security and Encryption

Wherever data is stored, it's secured. Leaks and attacks are no match for Microsoft Azure Encryption.

## Worry-Free Protection

Backup is easy, automated and unlimited. Data protection and retention

## Uninterrupted Access

Restore out-of-place directly to a local drive to ensure anytime access to data, even during a service outage..

## Easy Maintenance

AvePoint Cloud Backup is a 100% Azure-hosted SaaS application with automatic updates. No servers, no installations and no overworked IT team.

## Increased Productivity

With nonstop business continuity and easy maintenance, work more efficiently and increase team productivity
