

SIMPLIFYING CLOUD AND DATA CENTER FOR INNOVATIVE OUTCOMES

Capabilities Overview

WE'VE GOT YOU COVERED.

Whether your organization needs space in a regulatory compliant facility, to connect infrastructure to the public cloud, or to find the perfect mix of private cloud and colocation to support your infrastructure, Data Canopy's experts can architect a solution that fits.

CUSTOM-FIT INFRASTRUCTURE

Infrastructure built on industry-leading technology and hosted in Tier III enhanced facilities.

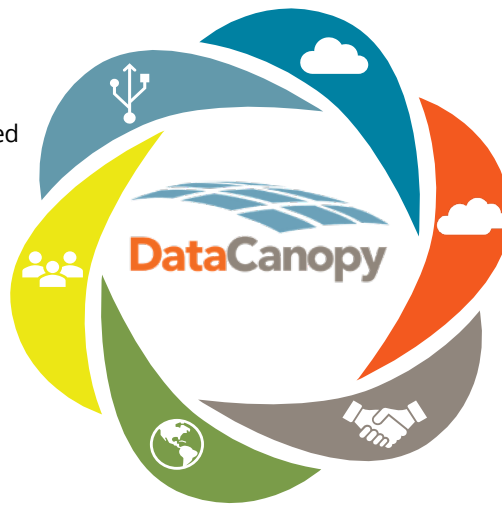

VENDOR AGNOSTIC

Strong industry partners ensure your solution is built on the technologies you require.

ECONOMIES OF SCALE

Access global carriers, highly secure cloud, and data center facilities worldwide.

CLOUD EXPERTISE

Vendor-certified, industry-tested engineers support your discovery, optimization, migration and management.

MULTI-CLOUD ACCESS

Directly connect to hyperscalers, including Amazon Web Services, Microsoft Azure, and more to save money and time.

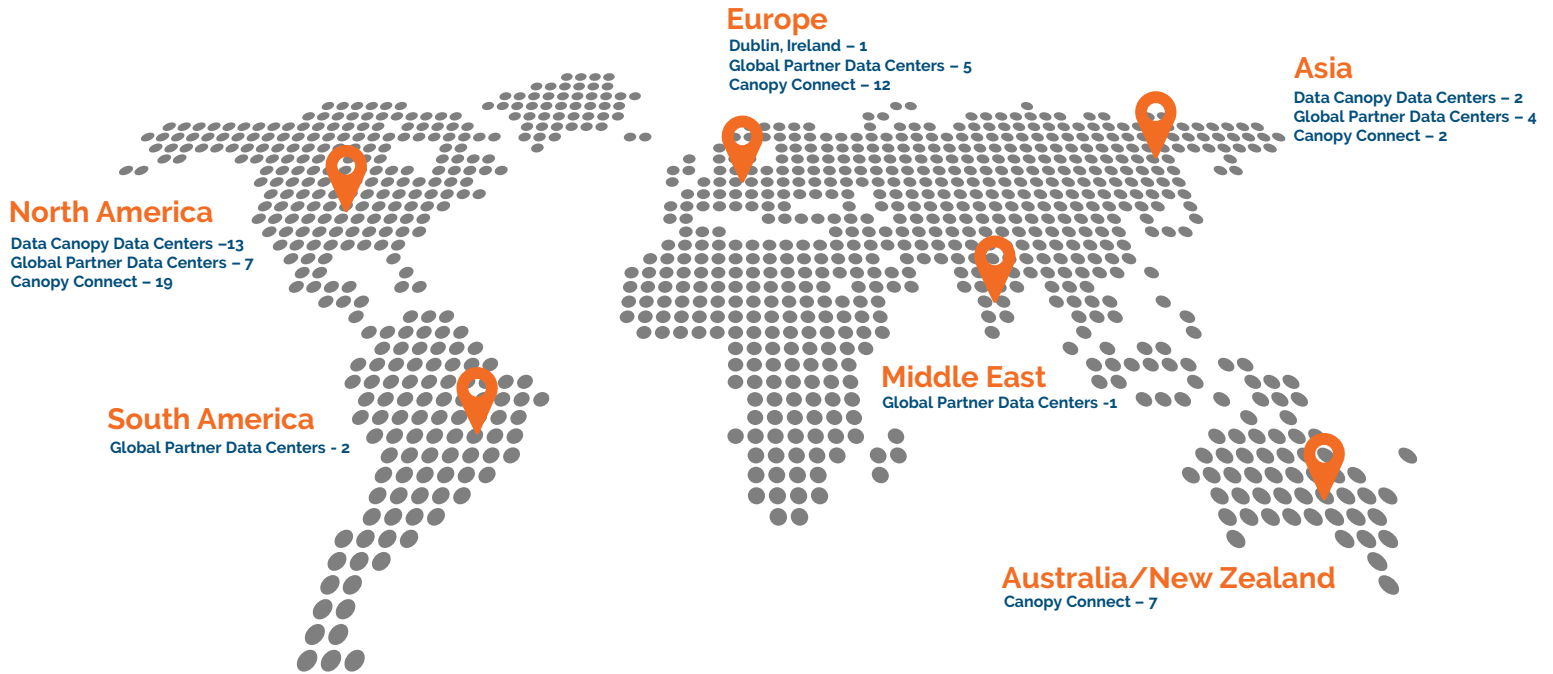

ONE HAND TO SHAKE

Your entire infrastructure solution under the Data Canopy umbrella.

WORLDWIDE DATA CENTER PRESENCE

Offering the access, flexibility and the security you need from worldwide data centers at an affordable monthly rate. Whether you need 1 rack or 100 to complete your IT infrastructure, we can help you to architect a solution that covers your data center needs.

WHAT WILL DEFINE YOUR SUCCESS?

RIGHT LOCATIONS

Highly available, low maintenance, ultra-secure facilities for your critical infrastructure. Whether you need 1 rack or 100, we can help you to architect a solution that covers your client's data center needs.

CUSTOM-FIT CLOUD

Customize cloud solutions to keep infrastructure nimble and meet business goals.

- Hybrid Cloud
- Private Cloud
- Direct Connection to hundreds of public cloud providers
- Cloud Migration Experts

RELIABLE CONNECTIVITY

We have more than 170 carriers on net with multiple connectivity options to ensure data is available when you need it, how you need it.

- Blended IP
- Private Line
- Point to Point or VPN
- Dark Fiber
- Custom Carrier Combination
